And

....., national of, owner of the identification card No., valid up to and with address at, hereinafter referred to as Applicant or Grant Holder or Principal Investigator,

And

....., *[insert name of host entity/research entity]* registration number / VAT number (to be filled as applicable), and with address at, represented by *[.....]* *[include name and capacity of the signatory(ies)]*, hereinafter referred to as Host Entity.

Whereas:

- I. With the aim of encouraging the scientific study of the healthy human being from both the physical and mental processes, specifically in the areas of Psychophysiology and Parapsychology, BIAL Foundation promoted the opening of its programme for Grants for Scientific Research .../...., which Regulation was made publicly available in
- II. On the, the Applicant filed his/her Application with respect to the Research Project “.....”, to which has been attributed the No. .../....;
- III. *[Upon BIAL Foundation’s suggestion, the Applicant has revised his/her Application and has proceeded to the modification of the corresponding project schedule and budget;]* (if applicable)
- IV. BIAL Foundation, after consultation with the Scientific Board, decided to award the Applicant a Grant for Scientific Research in the amount and under the conditions established herein;

The parties, in good faith, enter into the present Research Funding Agreement that will be governed in accordance with the terms and conditions of the

Regulation of Grants for Scientific Research of BIAL Foundation and the following Clauses:

First

Without prejudice to other information set out in the Grant Holder's Application process, approved by BIAL Foundation, here deemed to be reproduced for all legal purposes (hereinafter referred to as "Application"), the Research Project "....." - (hereinafter referred to as "Research Project") has the following key points:

Scientific Domain(s):

Specific Aims:

Duration (commencement and completion date):

Grant Holder/Principal Investigator:

Host Entity/Principal Research Centre:

Global Budget: € (...euro).

Second

1. BIAL Foundation awards the Grant Holder a grant, for the performance of the Research Project, in the global amount of €..... (..... euro). Provided that the provisions of this Agreement are complied with, in particular, this Clause Second, such amount of €..... (..... euro) shall be paid directly to the Host Entity, in instalments as follows:
 - a) €..... (..... euro) to be paid after this Agreement is signed by all the parties;
 - b) €..... (..... euro) to be paid
 - c) €..... (..... euro) to be paid
 - d) €..... (..... euro) to be paid
2. The payment of each instalment – except for the first one - mentioned in paragraph 1 above is subject to the (i) previous submission by the Grant Holder through the BIAL Foundation Grants Management System (BF-GMS) of the Scientific and Financial Progress and Final Reports (as the case may be) and (ii) approval of such reports by BIAL Foundation.
3. Subject to verification of the provisions of the preceding paragraph 2, the instalments mentioned in paragraph 1 of this Clause Second shall be disbursed as follows:
 - a) first instalment shall be disbursed after the commencement date of the Research Project (provided that the Research Funding Agreement is signed by all Parties);

- b) Subsequent interim instalments shall be disbursed only (i) upon approval by BIAL Foundation of the scientific and financial progress reports submitted by the Grant Holder and (ii) when the expenses incurred roughly corresponds to the amount already paid under the Research Funding Agreement.
 - c) The last instalment in the amount corresponding to no less than 10% (ten percent) of the Grant will be reimbursed only after the final requirements are met, which include, without limitation, the approval by BIAL Foundation of the scientific and financial final reports and a paper accepted for publication in a peer-reviewed journal stemming directly from the Research Project (if applicable). For the avoidance of doubt, the Parties agree that the last instalment shall only be reimbursed in case the total awarded amount was already expended.
4. Payment of the amount provided for in this Clause Second shall be made directly to the Host Entity's bank account by bank transfer.
 5. BIAL Foundation shall not be responsible for any other costs and expenses whatsoever which are not expressly agreed under this Agreement and not referenced in the Application, namely but not limited to those relating to healthcare services or personal injuries insurance.

Third

This Agreement shall not be interpreted as being, or giving cause to, an employment, labour, working, agent or partner contract or services agreement, and, therefore, the Grant Holder shall not be deemed as a worker, agent or representative of BIAL Foundation.

Fourth

1. The Grant Holder undertakes to perform the Research Project exactly as described in the Application, which includes among others the "Expected outputs", and to promptly inform BIAL Foundation of any facts or occurrences that may affect the normal development of the Research Project.
2. The Research Project, including but not limited to the project schedule and corresponding budget, cannot be modified unless if any change thereto is previously approved in writing by BIAL Foundation.
3. The Grant Holder undertakes to present, in accordance with the requirements set out in the Annex to this Agreement, both the Scientific and Financial Final Reports within the maximum period of one month after the completion or interruption of the Research Project.

4. The award of new Grants by BIAL Foundation to the Grant Holder for any other research programmes shall be subject to the previous full completion of the Research Project to which this Agreement refers.

Fifth

1. The Grant Holder undertakes to present, simultaneously with the Reports mentioned in Clause Four above, a complete list of the expenses made and costs incurred in connection with the Research Project, which shall be demonstrated by the copies of the documents justifying and evidencing such costs and expenses.
2. In the event that it is impossible to provide the copies of the said documents evidencing the costs and expenses incurred into, the Grant Holder shall duly justify that situation and present a declaration signed by a financial officer or accountant of the Host Entity, stating that the corresponding expenses have been incurred during and for the purposes of executing the Research Project and partially or totally financed by a Grant awarded by BIAL Foundation.
3. The Grant Holder and the Host Entity undertake to promptly return to BIAL Foundation the amount of the Grant which cannot be justified by proper documented evidence as per paragraphs 1 and 2 of this Clause Five.
4. *[In the event expenses are incurred in currencies other than the Euro, BIAL Foundation shall use the exchange rates as valid on the payment dates to convert in the Grant Holder local currency, the amounts paid by the Foundation in Euros. This amount received in local currency shall be used to compare with the expenses, also incurred in local currency, to settle accounts at the end of the project.] (if applicable)*

Sixth

1. At the end of the Research Project, the equipment paid for by the Grant awarded by BIAL Foundation will become the property of the Host Entity where the Research Project was completed.
2. In the event the said Host Entity is not interested in the equipment or in case the Research Project is not completed, the equipment shall revert to BIAL Foundation.

Seventh

1. The industrial and intellectual property rights eventually derived from the Research Project shall be the property of the Grant Holder or of the person or entity the Grant Holder assigns them to.

2. It is the Grant Holder and Host Entity's exclusive responsibility to verify, ensure and guarantee that the Research Project and its results do not infringe any third parties' industrial or intellectual property nor any contractual obligation with third parties.
3. The Grant Holder undertakes to acknowledge the financial support received from BIAL Foundation in all the works published or oral presentations performed by virtue of, within the scope of or as a consequence of the Grant awarded by BIAL Foundation for the conduct of the Research Project.
4. As long as the exact reference to the authorship and source is guaranteed, the Grant Holder expressly authorizes the BIAL Foundation to, free of charges, use, reproduce and publish on its webpages, including, without limitation, on the www.fundacaobial.com, the Scientific Final Report issued on the completion of the Research Project allowing any user to freely access it at all time and without costs and content restrictions. It further authorizes the archive of the Scientific Final Report at the BIAL Foundation's document repository. The aforesaid authorization is granted for a minimum period of 25 years counting from the submission of the Scientific Final Report.
5. The preceding paragraphs shall not affect nor prejudice the recognition and protection of the copyrights established by law.

Eighth

1. The Parties agree to comply with all applicable privacy laws and regulations. BIAL Foundation expects the Grant Holder to conduct the Research in a manner that ensures privacy and personal data protection of any individual involved, ensuring all data subject's rights in compliance with applicable privacy laws and regulations. The Grant Holder must ensure an appropriate lawful basis to conduct the Research and use health data. Prior to receive any Report, BIAL Foundation expects the Grant Holder to dissociate personal data from the individuals subject to the Research.
2. The Grant Holder and BIAL Foundation members agree that personal data related to them, and the members of the Research team may be used by BIAL Foundation for the purpose of reviewing, planning and supporting the Research and, where applicable, complying with legal and/or regulatory requirements. Such information may include certain personal data relating to persons who participate or perform work connected to the Research, such as name, specialization and contact information. BIAL Foundation may transfer such personal data to companies within BIAL's group, to BIAL's research or business partners, or to relevant governmental authorities. Such recipients may be located outside the country in which the Research is being performed.

3. The Grant Holder agrees that BIAL Foundation may use the Grant Holder's picture, name and biographical data, in connection with the promotional activities by BIAL Foundation. More information about personal data processing by BIAL Foundation may be consulted at the Privacy Policy at www.fundacaobial.com.

Ninth

Without prejudice to all other legal grounds, BIAL Foundation shall have the right to terminate this Agreement in the following cases:

- a) Serious or repeated breach of the Grant Holder's obligations for reasons within the Grant Holder's control, including but not limited to failure to meet the objectives set forth in the Research Project;
- b) False statements made by the Grant Holder.

Tenth

Without prejudice to the provisions of the preceding clause, this Agreement shall be automatically terminated when the Research Project is completed or in case of revocation by mutual agreement or change in circumstances, as well as whenever the available funds are insufficient for the payment of the Grant components.

Eleventh

The Grant Holder acknowledges and accepts BIAL Foundation's right to provide any public authority in Portugal or abroad with the legal power to request it, with a copy of this Agreement and any related documents.

Twelfth

1. This Agreement shall be effective as from the date of signature by all parties and shall be in force and effect for the exact period agreed to as duration of the Research Project.
2. The ruling set forth in the Regulation of Grants for Scientific Research of BIAL Foundation, of which the Grant Holder and Host Entity hereby declares to have knowledge and to undertake to comply with, will apply to all that is not expressly indicated in this Research Funding Agreement.
3. Host Entity has accepted to be the entity where the Research Project will be performed by the Grant Holder, and the Host Entity declares and warrants that (i) it possesses all the legal and necessary conditions for the performance

of the Research Project, (ii) it is not and shall not be in breach of any contractual obligation with any third party by reason of entering into this Agreement and (iii) it is not and shall not be in a situation of conflict of interest by reason of entering into this Agreement.

4. This Agreement shall be governed by and construed in accordance with the Portuguese laws and the Parties hereby irrevocably submit to the exclusive jurisdiction of Porto Courts, Portugal, without giving effect to the conflicts of laws provisions thereof.
5. Except for amendments to the Research Project schedule and budget which could be made by e-mail, neither this Agreement nor any of the terms or provisions hereof may be amended, modified or supplemented except by a written instrument signed by each of the Parties hereto and no waiver of any right set forth herein shall be deemed effective unless in writing and signed by the Party against whom enforcement of the waiver is sought.
6. The invalidity of any provision of this Agreement, as determined by a court of competent jurisdiction, shall in no way affect the validity of any other provision hereof and the Parties will use their best efforts to replace such provision with a valid and enforceable provision which will achieve, to the extent possible, the same economic, business or other purpose as such void or unenforceable provision and to further ensure that the remaining provisions shall not in any way be affected or impaired thereby.
7. Neither the Grant Holder nor the Host Entity may assign its position under this Agreement to any third party without the prior written consent of BIAL Foundation.
8. The rights and obligations of the Parties, which by intent or meaning have validity beyond termination (including, but not limited to, the rights and obligations under Clauses 11. and 12.) shall survive the termination of this Agreement.

All the participants having agreed, this Research Funding Agreement and Annex prepared in triplicate, shall now be duly initialled and signed.

Single Annex

The scientific final report must:

1. Cover the entire project period, its outputs and outcomes, and highlight any changes made to the original approved project.
2. Follow the structure of a scientific article outlining the Aims, Method (participants, instrument/measures, and procedure), Results and Discussion, Conclusions and Recommendations (**maximum** 10 pages).
3. Include a table highlighting the differences between expected and achieved output indicators, as well as a list of publications. Access to publications must be ensured by indicating the URL if they are open access and/or by uploading the files in pdf format (e.g. galley proofs of the accepted articles). **Only the publications that duly acknowledge BIAL Foundation's support will be considered as outputs of the project.**
4. Include the duly completed template available for download from BIAL Foundation Grants Management System (BF-GMS) - Grant Edition Support Documents section - with information to be posted at BIAL Foundation web page concerning the final results of the project, as well as references to the published work.

The financial final report must:

1. Include the documents of expenses not yet submitted in previous reports. The final instalment will only be paid in case the total amount of the grant has been expended by the time of sending the final report.
